Dear selection board

My name is Matthias CAUVEAU and I am 12

I'd like to take part in the comic strip competition.

His name is snake man and he's 18. He's from England.

He hasn't got a pet. He's got a round face and his hair is green. His eyes are red. He's thin and really strong and tall.

Snake-man is dangerous because he has got magic powers

I include in this letter are example of my drawings. Thank you for reading my letter.

Yours sincerely,

Clairee
