Dear selection Board

My name is Matthieu and I am eleven years old

I'd like to take part in the comic strip competition

My hero is Japanese super Hulk, a mix of super man and the incredible super Hulk. He is from Japan. Super Hulk is very strong and very tall. He's got black eyes. He's got black

short hair, a long nose and a square face. He's slim. He can destroy everything with his hand. He's 32 years old.

I include in this letter one example of my drawings. Thank you for reading my letter.

Yours sincerely

Matthieu
