

My day with Kévin

publié le 16/02/2019

Hello again !

I spent the day with Kévin and it was really cool. In the morning, we played Fortnite on the PS4 and I won 3 royal victories. I am the boss ! Then I helped Kévin with his homework because although the English teacher doesn't agree, he says he's quite bad at English.

Afterwards, we had hamburgers with fries. What a good meal ! And in the afternoon, we went to the ice rink in Angoulême. I fell four times. I think this is not a good activity for me ! Then we went cycling and finally we spent some time in the spa, and I have to say I preferred that !

Once back home, we had dinner and watched TV. I went to bed at 11.30pm. I was really tired.
