

## Is Tim a future NBA player ?

publié le 08/02/2020

Hello !

When Tim came to my place he behaved very well. My friends had told me he was shy, and he is indeed ; he didn't talk much, but he was really nice.

I took him to my basketball club. He was really impressed to see me play like an NBA player !!! Then he learnt how to play basketball too. He was not the best player ever, but he wasn't the worst, as he managed to score a few baskets. How funny to see a hedgehog play basketball ! I took a picture of him !

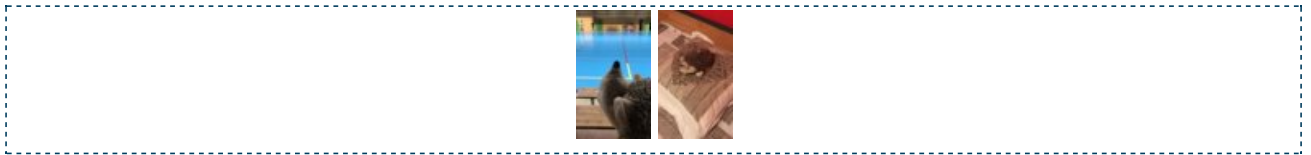

Afterwards, we went back home. He met my brothers and I think they were fond of him. He also helped my mum round the house. We didn't do much the rest of the day. Tim watched me as I was doing my homework, and then we watched a film together. Then he went to bed and had a good night's sleep.

The next day, Tim had breakfast, and got ready for school again. I gave him back to my English teacher, so she could pass him on to another student.

Have a nice day, bye !

Lucas
