

Tim and show business

publié le 23/02/2020

Hello !

Last week, Tim came a few days at my place and discovered rap music.

On the first day, we recorded a song together, then we mixed it.

On the second day, we composed the beats for a French rap singer whose name is VNC.

And on the third day, Tim produced a new song, that we shared on YouTube. The title is Baby Girl, by VNC. Tim also made a music video for VNC, as well as the sound editing.

These were all very new experiences for Tim, who loved everything ! And as he wanted to resemble a real rap singer, I took him to a jewellery shop and we bought a silver chain !
