

## Tim's time with Lilly

publié le 23/02/2020

Hello there !

When Tim came to my place, he did a boxing match with real boxing gloves !

He also met my dog, Kaya. Despite the fact that Kaya almost ate him when they first met, Tim stroked him and so they finally became good friends.

Tim also had great fun playing the tightrope walker on my Spanish flag. What a funny pastime for him !

At night, the little hedgehog slept in the little bed I had made especially for him out of cotton and that I had put on a chair beside my bed. During the night, Tim fell off his bed, but I treated and cuddled him so everything was fine afterwards.
