

## Such a perfect day !

publié le 13/03/2021

Hello to you all !

Margaret is creative and very much interested in fashion, and she enjoys being elegant. Yesterday, she decided to pamper herself, so first she put on two beautiful necklaces, then she ate an apple and some chocolate. After that, she slept under a tree. Later, she swam in the Pacific ocean. How wonderful ! Unfortunately, she hadn't put any sunscreen and when she finally thought about it, it was too late, she had a bad sunburn. The sun can be very dangerous, even for turkeys !

Anyway, she had a great time because she met other tourists and had a chat with them.

She loved that day and she didn't want to leave, but she had to !
