

Tim at Coraline's !

publié le 29/09/2018

On Saturday, September 15th, Tim came with me to watch a triathlon in Royan. First we attended the swimmers' endurance race in the sea. Then there was the transition from swim to bike. Tim thought it was very impressive ! Afterwards Tim and I decided to go shopping for a while. I bought a bracelet and gave it to him. Although it was an unusual present for a hedgehog, I think he appreciated it much.

Later in the afternoon, we watched the end of the running race. And we drove back to Barbezieux.

On Sunday 16th, Tim had great fun on the plastic tractor in the garden. Then he read a book and slept.

Tim's word : "Walking all day wasn't what I liked best, but I loved the week-end with Coraline because I did many interesting things, and I discovered new landscapes."
