

Tim's best holidays ever thanks to Thomas !

publié le 06/10/2018

Tim was cheerful because he spent some time in my house. He made friends with my rat, so they had great fun playing in my bedroom, and they even did my homework ! Tim hated history but his new friend helped him. In the afternoon, they decided to watch a funny movie. Then they walked into the woods and built a wood hut. They were very proud of the result ! As it was late, they went back home because my mum was waiting for them for dinner. And it was time to go to bed.

The next day, we went fishing by the river. Tim caught 8 fish within ten minutes ! He loved it and said it was his favourite hobby !

Unfortunately, Tim had to go back to his place. He told his mum it had been the best holiday of his life !
