

Tim's not so good week-end

publié le 15/10/2018

Tim sat in my car. He came into my house, and met my family. But when he saw me doing my homework, he hid in my bag ! And he fell asleep.
He woke up early, he got up and had breakfast in the kitchen. Then he lay down on the couch and watched TV. But he got really bored and left my house on foot. He said he didn't want to come back ever again.
