

Tim the mountaineer

publié le 17/10/2018

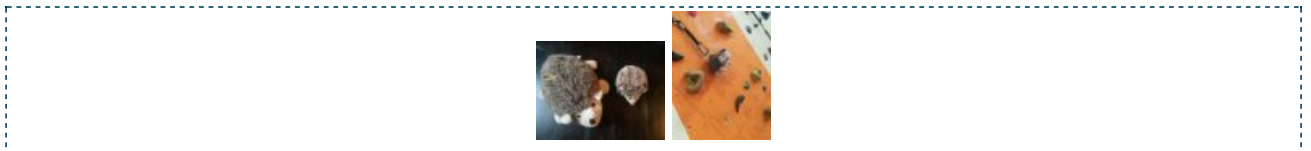

After spending some time at my classmates' homes, Tim finally arrived at my place. He felt very happy and impatient because he knew he would discover a lot of new things. As soon as he entered my house, he had a very big surprise : his little brother Albert was waiting for him ! He was very happy to see him again after a month of separation and was indeed very moved.

Tim tried climbing : he is very strong and as he was not afraid at all, he managed to climb up to the top. Fortunately, Albert didn't follow him ; he is too small and would have been scared.

Tim is looking forward to coming back to my house, so that he will see his little brother again !
