

Tim at Mouctar's !

publié le 21/11/2018

Here is my week-end with Tim, the mascot of our class.

First I brought Tim home. I introduced him to my family and my dog... who felt very jealous ! Tim spent the night in my bed because he was cold.

The next morning, we had breakfast and at 11h00 am, my father, Tim and I took the bus to Coulounieix Chamiers for a regional championship football match. On the bus I told my friends I had come with a new supporter. They said it was fantastic and asked me who he was. When I said it was Tim the mascot, they all had a good laugh and told me it was great.

As soon as we arrived in the changing room, I introduced Tim to the whole team. Everyone wanted to take photos ! Then the match between Alliance 3B - my team - and our opponents began. Tim watched the match from the terraces. During the first half, the other team scored 2 goals. They were really good players. During the second half, I scored. We lost the match 2 to 1, but I was glad I had scored for Tim.

On Sunday, I did my homework with Tim.

As a conclusion, Tim was pleased ; he had a great time. My dog finally became his friend and they played together. My parents and I were very happy to spend that week-end with Tim !
