

Tim's week-end with Benjamin

publié le 24/11/2018

Last Friday night, Tim the hedgehog got into the car with me and we arrived home. My parents welcomed him warmly and he was received like a king.

On Saturday morning, we woke up at 8h00 am, which was early, but my father needed help to mow the lawn. Tim was very impressed by the tractor and he wanted to try it.

After that, Tim wanted to bathe, but the weather was not very good, it was cloudy, so we watched a movie instead. Then, Tim played the piano with me. As a consequence, he improved himself.

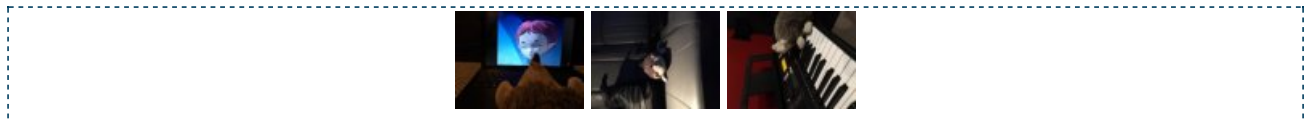

The next day, Tim got up with a big smile. As we were still sleeping, he prepared breakfast for the whole family.

Finally, he got ready to go back to his place, although he was sad to leave us.

In any case, he had a good week-end.
