

Tim likes eating

publié le 16/12/2018 - mis à jour le 11/01/2019

Tim spent a few days at my place. He didn't do anything in particular, nevertheless he had a good time. While I was in class, he ate kebabs with French fries and he slept a lot. My little sister also took care of him. I think it made him happy !

Unfortunately, he also fought with my two cats. He was a bit hurt, but not too badly. At least he now knows how to beat them. He didn't appreciate that moment. But then my mum cooked an Armenian meal especially for him and he loved it !

He told me he would like to come back again because he had a great time !
