

Tim's new encounter

publié le 16/01/2019

Hello everyone ! Last week-end, I was invited at Hugo's place. We did a lot of cool stuff ! For instance, I played the piano ; I managed to play a C, a F and a B, so I was really proud of myself ! I also helped Hugo with the decoration of the house for Christmas - I even climbed to the top of the Christmas tree, there was a nice view from there ! Although he was very nice with me, I still felt a bit lonely. Fortunately, Hugo let me use his computer, so I decided to register on Meetic. I had to fill in a form, with my name, surname, sex and age. Well I admit I cheated a little, as I wrote 19 instead of 14 years old... - don't tell the English teacher or she'll kill me ! They also asked for a photo, and I posted that of a star ! Anyway, it worked, as I met some other animal !
