

Tim's misfortune

publié le 30/01/2019

On Friday evening, Tim came home and as he went to bed at midnight, he woke up very late on Saturday morning. Unfortunately, he got up on the wrong side of bed... and as he was hungry and hadn't had his breakfast, he ate the mattress ! My parents were very angry ! Tim finally felt so bad that he wanted to make something positive. So he helped my mum round the house. He was very happy because he did a good action.

In the afternoon, Tim came with me at my mountain bike club in Jarnac. He rode a bike for three hours, which was quite tiring. Once back home, he cleaned my bike and he had a shower. After that, he ate a huge cake entirely. But he had a stomach ache and was sick all night. I think he will not come back again. Poor hedgehog !
