

Simply good time

publié le 30/01/2019

Tim spent the day with me. He told me he loved eating kebabs, so I introduced him to my friends and we all ate kebabs together ; then we took a walk round Barbezieux in order to digest. In the evening he said he had loved his day !

The next day, I had to go to school, so Tim had breakfast and then he waited for me in my room. When I got back home, he threw himself into my arms because he was happy to see me again. I was happy too, and we both went to the Christmas market. I bought "chichis" with a lot of sugar on them for him to taste. I think he spent a great time once again, because he told me he felt happy and would like to visit me again !
