

Tim's day in Paris

publié le 15/05/2019

Good afternoon !

Tim travelled to the capital city. He didn't meet any other hedgehogs there ! But he admired the Eiffel tower ! He even bought a miniature one as a souvenir. He also went into a lift and got to the top of the tower. What a fantastic view from there !

He enjoyed a tourist river boat tour on the river Seine too. What beautiful buildings ! He was really impressed. Most unfortunately, at the end of the day, Notre Dame cathedral caught fire and Tim could see the huge flames. What a terrible event, how sad ! Tim loved Paris and he will never forget this trip.
