

## Tim pops in his friend's place

publié le 15/05/2019

Hi !

What a good surprise ! Tim visited me the other day ! I was happy because he is my best friend ! I made him discover new songs from my playlist. He thought the music style was strange, but he listened to everything anyway. Then we played basketball in the garden. The problem was I had maths homework to do ; Tim helped me a bit but then his mom arrived so he had to go. He was sad but I'm sure we'll see each other again some day !
