

Margaret meets Matthéo

publié le 04/06/2019

Hello everyone,

Margaret came to my house. She had very good but also very bad moments !

First she learnt how to write so she was happy ! She also played Fortnite with me. And I noticed she loved Chocapics too !

But when she met my cat she was afraid ! And she was completely scared when my mother caught her and put her in the oven ! But I saved her ! Margaret said she was fed up with all the mums who wanted to cook her !
