

## Street Art and Paris 11.13 Attacks

publié le 26/11/2015

3e1

The famous street artist **Shepard Fairey** reacted to the events in Paris, too. He chose to design this impressive poster, and he explained his intentions quite clearly. You can watch the video [here](#).

[Here](#) 's a link to the article in The Guardian, explaining **who** the artist behind the world-famous doodle is...
