## Deadly floods

This year again a major rise in the waters to kill a lot of people. That same day in Petropolis (Brazil), local authorities announced that 5 people died during flooding caused by torrential rains, local authorities announced. Firefighters also said 4 people were missing. A month before the floods had killed 233 people.

## Child abuse violence prohibited

Wales banned child abuse this Monday. A slap or even a jolt will be considered an assault. Scotland has already banned this type of violence, unlike England and Northern Ireland, which still tolerate it.

## The mourning of a crash

A lifeless crash

This day, Wuzhou rescuers are facing the rain and mud to search for the traces of 132 people who were victims of the crash of their plane. The plane crashed in a mountainous area in southern China. Unfortunately, the plane dived towards the ground during the crash, leaving no hope for the survival of the passengers.
