

# LET'S ALL GO GREEN!!

Complete with SHOULD or SHOULDN'T

We-----all recycle glass, paper, plastic and cans.

Sandy -----put on some warmer clothes instead of heating too much.

We-----give objects a second life.

People-----use public transport more.

Sam -----have showers instead of baths.

TURN OFF LIGHT

They -----ride bikes to go to work.

More people-----have a composter at home

We-----buy more local food.

I-----forget to turn off the light on leaving a room.

Helen-----have baths to save water.

We-----plant more trees.

You-----buy energy saving electric light bulbs.

People -----eat more vegetables and less meat.

We-----all have reusable shopping bags.

People-----drive to work so much!

We-----close the door to keep the heat in

Bob-----turn the tap off when brushing his teeth.

We-----share car lifts more often.

We -----have drip save water flushes.

People -----walk more.

He-----keep the fridge door open.

You-----turn the TV off if you are not watching it.

We -----use eco-friendly cleaning products.

No one in the world -----buy ivory or fur.

We-----do our best to keep bees alive!
