

Around The World

SYRIA :
« INTOLERABLE AND UNACCEPTABLE ! »
BAN KI-MOON COMDAMNS THE
SITUATION.

After the killing of hundreds of women and children in Homs, the Syrian National Council (NSC) has called for an "emergency meeting" to the UN, to propose the intervention of peacekeepers and the mediation of Kofi Annan. He considers further steps against Damascus. The Secretary General of the UN Ban Ki-Moon told reporters : "I really asked the Syrian authorities to immediately end the violence and allow humanitarian access." There is still the problem of disagreement with Russia and China, who voted against the measure. [...] page 2.

Security alert in France

After the murders in Toulouse, Nicolas Sarkozy has activated the highest security alert in the Haute-Garonne (South East). [...] p. 3

Pulling on our planet : we are paying for it !

Indeed, in most countries the price of fuel is still increasing. In Beijing , a rise of 0,44 yuan to 0,51 yuan, in Paris [...]p.4

Already 50 years and still this suffering !

On Monday , in Paris, the «Evian Accords » were celebrated in all discretion . The « Evian Accords » were signed on 18th March 1962 by the French State with General De Gaulle . Before, these agreements, there were a lot of terrorist attacks. [...] p.5
