

Bullying

~~bullying~~

I want you to hear my story:
I was a bully and now I realize
I can't believe how much I wasn't nice!
My action was wrong, so I was not that strong...

The person felt she got smaller and smaller
When I felt I got taller and taller!
I was horrible in her life,
I was horrible like a knife!

I made a mistake, it was so cruel!
I made a big fake, I was a fool!
I did that only because she was different
I did that only because my problems were evident

Now, I want you to understand:
It's high time to take a stand
Against bullying and against all violence.
Don't judge anybody! just find the good sense in your life
