

REMBEMBER ME

I was bullied at school.
I was the boy who didn't have friends.
Instead of trying to be cool.
The others punched me and threatened me.
Remember me.

They were taking my lunch,
They were stealing my money,
So, I wanted to run away !
They thought they were funny.
Remember me.

My Relatives suspected nothing,
But, I had not the courage to tell them.
When I was in my bed,
I cried discreetly, so that they couldn't hear me.
Remember me.

This school day, in the changing room of the gym,
My mates were hitting me.
I couldn't run away.
I needed help.
Remember me.

When, I came back home.
I went to the bathroom.
I looked for a last time my bruises and the blood on my face.
And I committed suicide.
NOW REMEMBER ME.
