Jordan put seven delicious fruits in a backpack
for his friend ,Kevin.

He will be surprised, thought Jordan as he set
off for Kevin's city.

Will he like the soft purple plum...

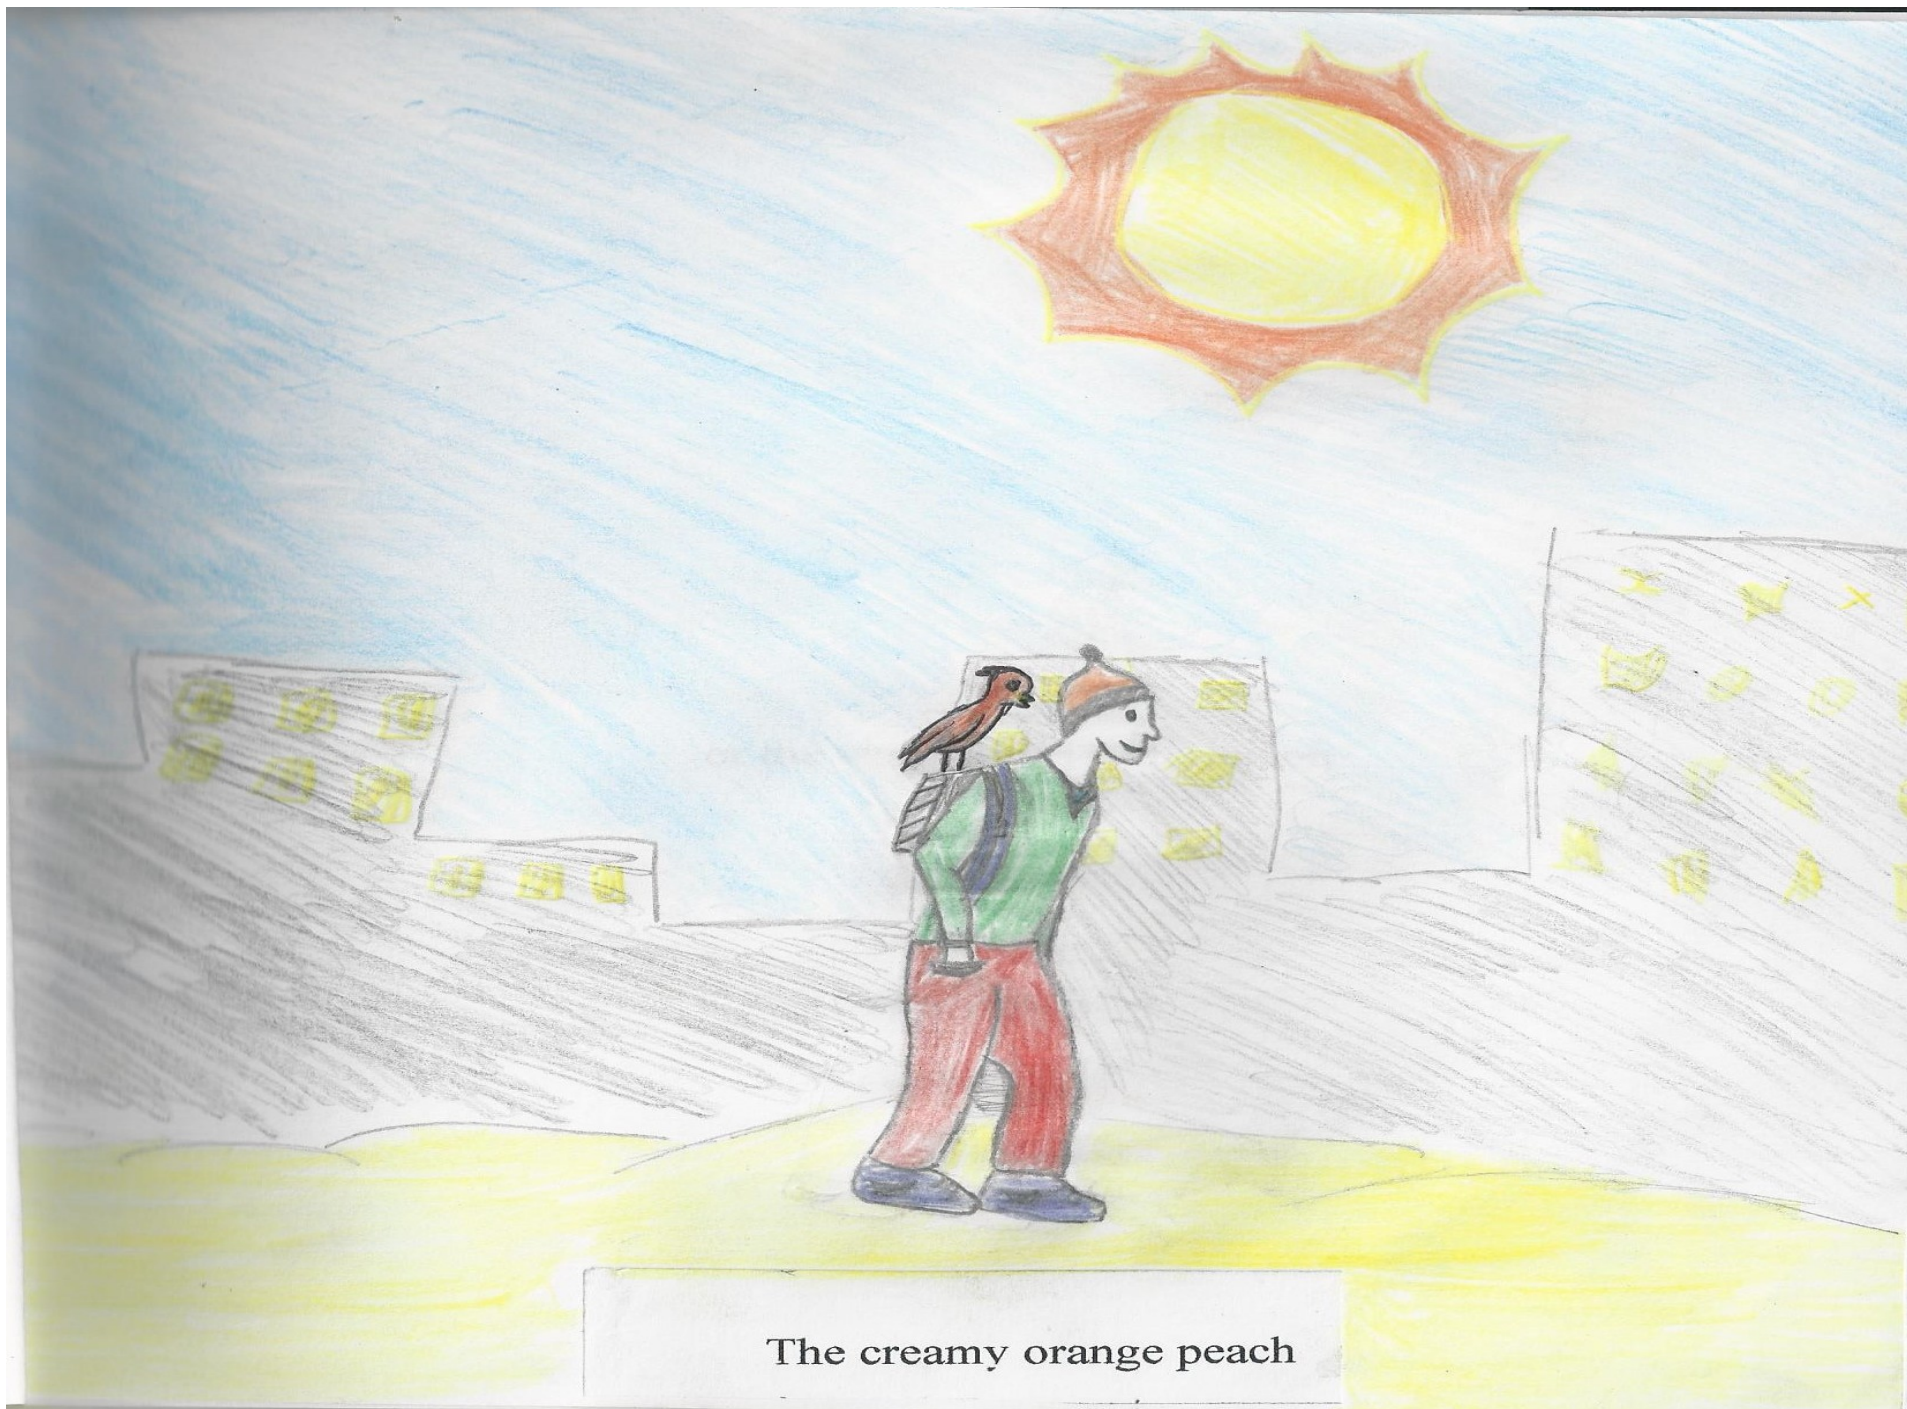

or the sweet-smelling apple ?

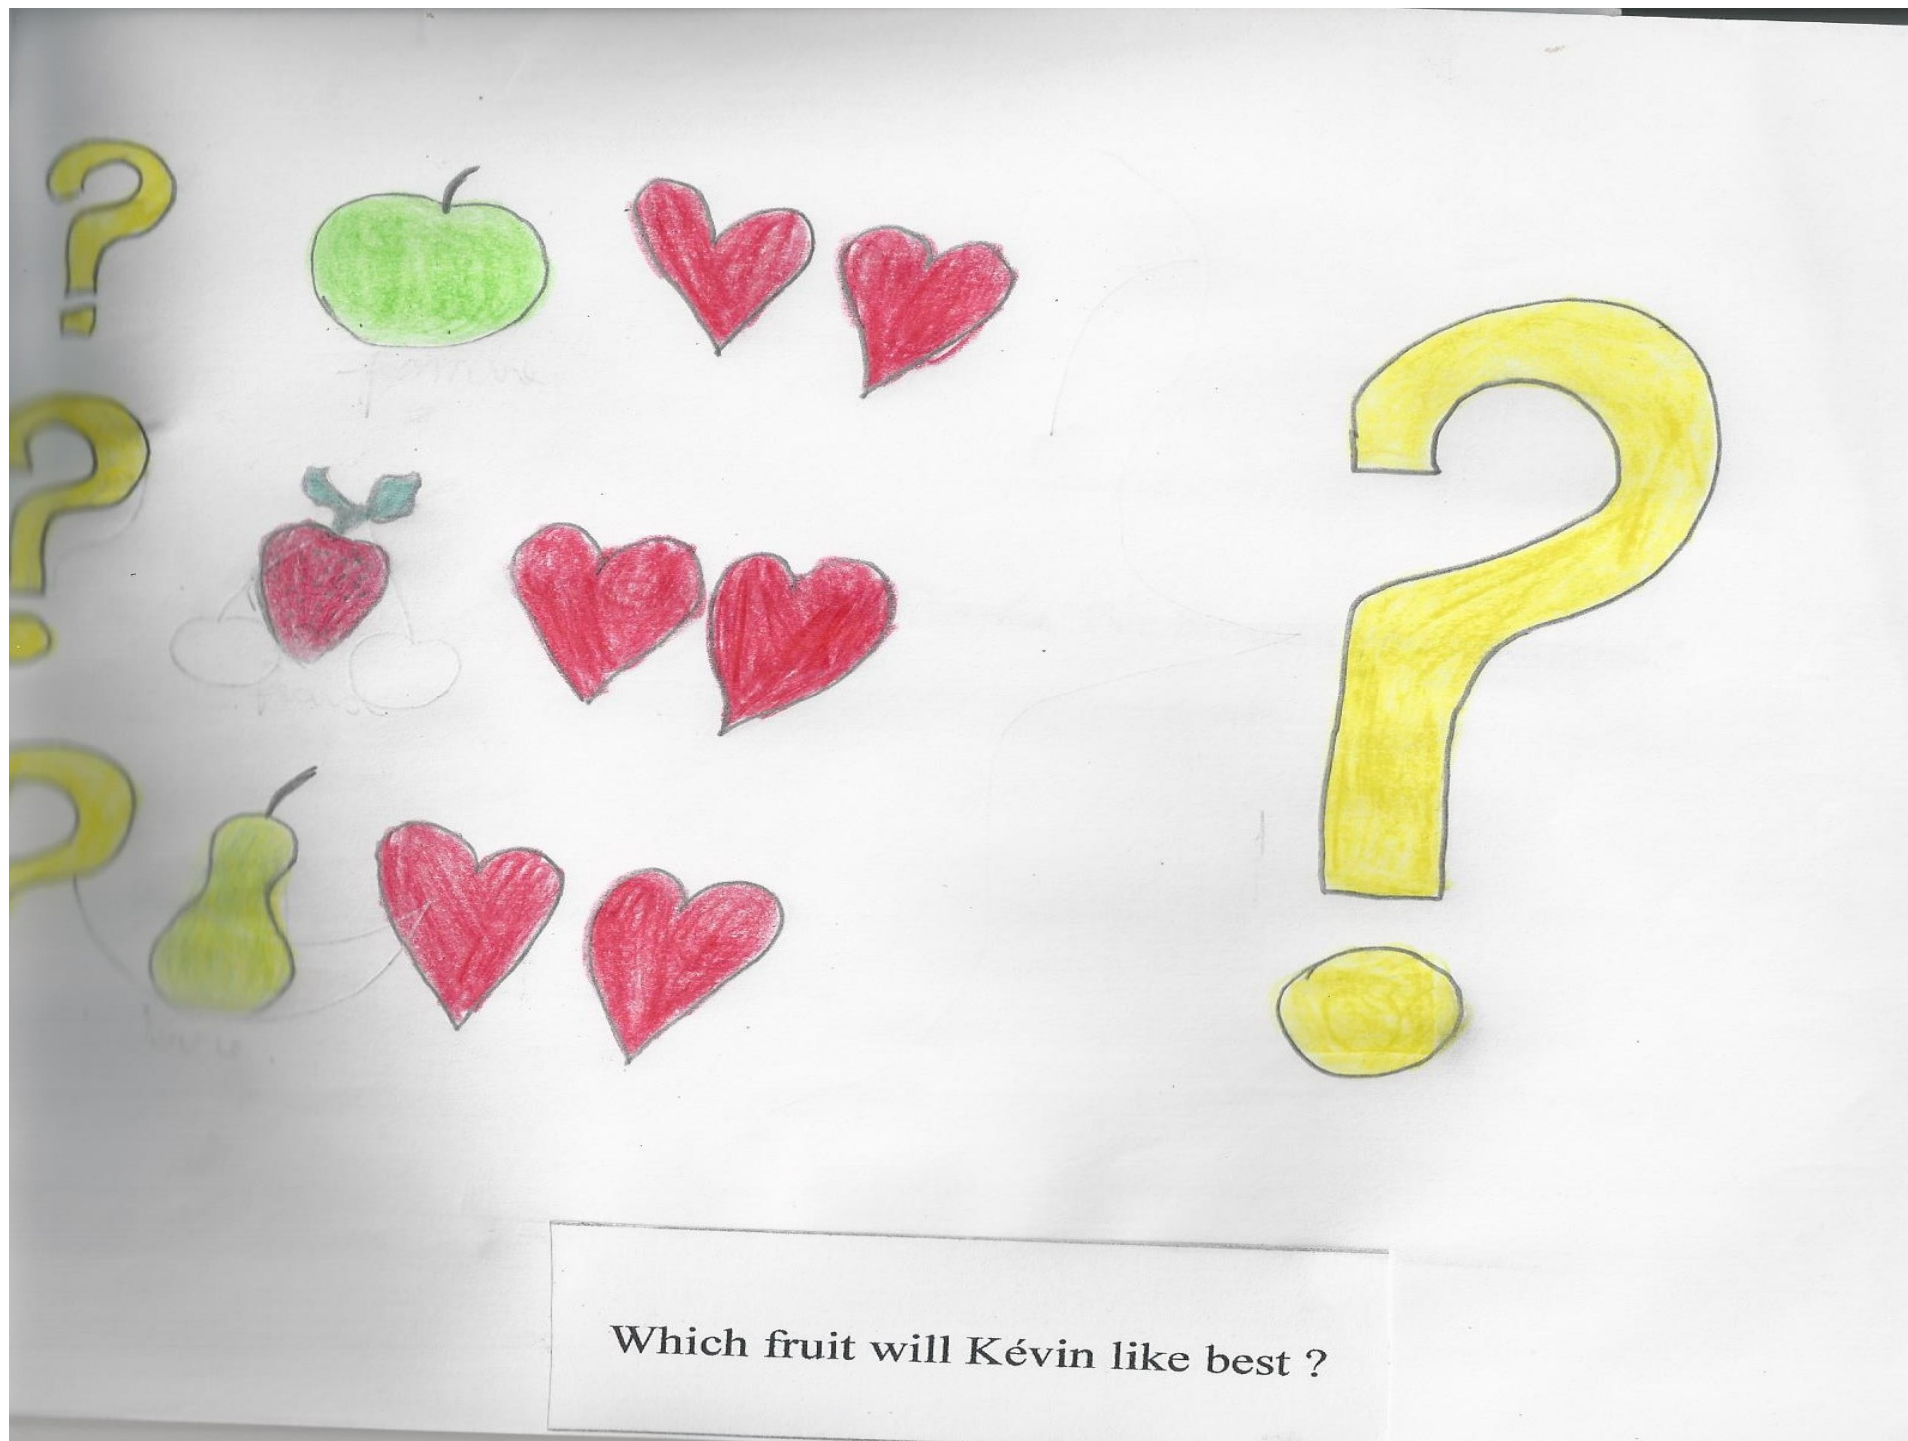

or the ripe red strawberry ?

Will he like the yellow and perry?

The creamy orange peach

Or the tangy green watermelon

Which fruit will Kévin like best ?

“Hello, K vin,” said Jordan, “I've brought you a surprise.”

"Cornflower!" said K vin . "My favourite fruit."
"CORNFLOWER?" said Jordan. "That is a suprise!"
