Tampi put seven delicious fruits

She will be surprised, thought
Tampi as she set off Naata's
village.

I wonder which fruit she'll like best ?

Will she like the green finger lime..

or the sweet kiwi ?

Will she like the round apple ?

or the ripe red mango ?

Will she like the orange
apricot ?

the creamy yellow banana ?

or the sweet green pear ?

Which fruit will Naata like best ?

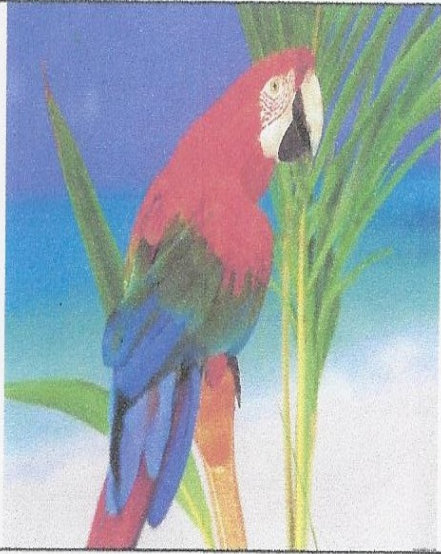

« Hello, Naata, » said Tampi.
« I've brought you a surprise. »

« Kiwis ! » said Naata. « My favourite fruit. »

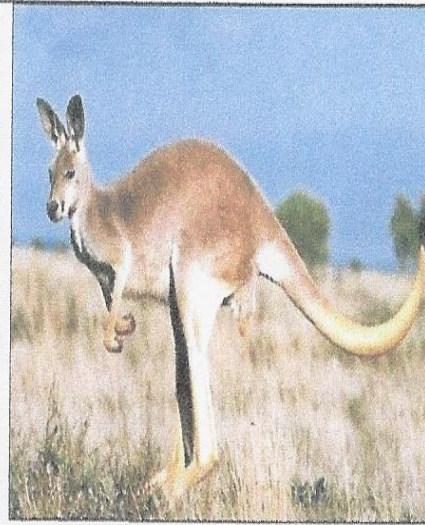

« KIWIS ? » said Tampi. « That is a surprise ! »
