S1 Hello Mike, welcome aboard!

S1 Are you sure?

4 Yes, I am, indeed!

S1 (*gives Mike the two boxes*) Here you are!

4 You have here 10 grams of X35 compound and here 10 grams of F68 compound. When you mix the two together you get an explosion that could blow up this office in just a few seconds!

1 Waouw, brilliant!

S1 Mike, I'm begging you, be careful!

1 Come on, I'm not that clumsy.

S1 Maybe not, but if this goes wrong we are all dead!

1 Do not exaggerate for God's sake, you will scare the audience!

S1 Mike, as the saying goes : forewarned is forearmed.

3. I totally agree.

S2. I suppose this is where I come in, is it?

3. What do you mean?

S2. Come on guys, you can't and won't take the risk and carry that stuff with you! (*Shows them a little flask*)

4. Would you hide that for God's sake!

3. Of course, nobody can know you are carrying a flask of botulinum toxin, it would be a disaster...

4. Silence! (*Puts her hand on his mouth*) he he he

S2. What? (*Impersonates 4*) He he he... What do you mean? Do you need me or not?

4. Come along silly boy/girl... (*Takes him/her aside*) of course we need you, of course, but discretely, in a subtle way, you understand?

S2. Of course. Who do you think I am? I have to discretely deliver this flask to your agent and then I...

4. Shush!! It's a secret. Am I clear?

3. So (*Student's Name*) no one can ever know you are bringing this flask to our agent, in order to poison Mike O'Neill!

S2. Got ya. Give me five buddy!

3. Yesssss (*Gives him five*)

4. Pff. Are you two okay?

S2. Of course man. Don't worry! Everything is cool. I will deliver your poison in that flask.

(*Phones rings*)

4. Oops, that must be Eilish.

2. Hello, it's me again, just wanted to tell you, make sure you do not trust any kids and certainly not a student with our "plan". It's too important. Remember you will be personally held responsible should this plan fail, understood?!

4. Understood! Not a kid and certainly not a student. (*Looks at S2 and 3 playing the fool*) Okay then dudes, now back to work!

S2. Don't worry. We are not in a mad rush. I'm on it! (*Goes off stage*)

S3. Hello folks! (To the barman) Jim, the usual please!

4. Coming right up Niall!

1. Hello my name is O'Neill, Mike O'Neill, and this is Miss Pennyless.

S3. Welcome to Spiddal folks! Where are you from?

1. We are both from Dublin.

S3. From Dublin? That is why you have that strong accent! Niamh, come here, these folks are from Dublin.

S4. From Dublin? That's brilliant! I should have gone to the hairdresser! (*Shaking Mike's hand*) Very nice to meet you.

2. (*A bit jealous*) Nice to meet you too!

S4. And what are you doing over here?

2. Well, actually we are...

1. ...on holiday.

S4 Oh believe me, this place is the jewel in the Irish crown!

S3 Come on Niamh, don't over exaggerate.

S4 I'm not, this place is one of the most beautiful places in the entire world!

S3. Well that is true! So... do you guys like our traditional Irish music?

1. We are loving it!

S4 And do you know how to Irish dance?

Student 5 (Scene 10)

1: Mike

S5: Student 5

S5 Well Mr O'Neill, I have been wondering how I could possibly help? Can you imagine, drowning to death in a Guinness tank?

1. Dreadful isn't it? I'm only here to pay poor Murphy my respects.

S5. So, you have nothing to do with the police or anything like that?

1. No, nothing, nothing at all!

S5. So, between you and me, I do not believe for one second that Murphy's death was an accident!

1. What do you mean?

S5. Don't you think it is very strange to fall into a Guinness tank, just like that?

1. Yes Sir, you are right. This is very strange indeed. Anyway, what was Murphy doing here?

S5. Well he did ask to meet with me in a very quiet place, he told me over the phone he had serious stuff to discuss with me...

1. Like?

S5. I have no idea!

1. Of course... and you haven't found anything suspicious since the "accident"?

S5. Nothing... Except, maybe...(pause)

1. Yes go ahead, what were you going to say?

S5. Well, you will never believe me, but when I went to the scene of the 'accident', it smelled like...

1. Like?

S5. It smelled like chicken nuggets and tomato ketchup.

1. Chicken nuggets and tomato ketchup?

S5. Exactly, a smell of ketchup... I know it sounds completely crazy, but that day, lots of things seemed crazy...

1. Like what?

S5. Some of the people working that day told me that they saw a giant chicken!

1. A giant chicken... *(goes to the other side of stage, thinking out loud)* but giant chickens do not exist... They must have been seeing things... or else, they are completely mad and we must lock them up in an asylum, what do you think?

S5. Euh yes, yes, you must be right Mike, you must be right... Listen, I'm not too well, I think I need a bit of rest, bye now.

1. Sure, goodbye Mr Simpson!

Student 6 (Scene 11)

2: Miss Eilish

4: Miss Starbuck

S6: Student 6

4. *(Enters stage)* hopefully, we will start work very soon! I'm dying to organize everything! Now, let's double check with MacDonald and Eilish if everything is ready. I think we are getting there!

S6. Hep, hep, hep

4. What's going on?

S6. Just a warning. You should be very careful. What is happening now is not good for you, not good at all!

4. What are you talking about?

S6. I'm not one hundred percent sure, but I think MacDonald already knows about it!

4. For God's sake, would you calm down and just tell me what's wrong?

S6. Ok. Mike O'Neill knows your plan. He knows exactly what is happening at Tescorporation... And I think he also knows about Murphy's... "accident"!

4. Damn! We have to do something quickly!

S6. And you have more reason to worry.

4. What else?

S6. Well it seems that agent X2 has switched sides.

4. Silly cow!

S6. Well, I can see her point, after what you did to her family...

2. *(Enter stage)* Mind your own business, will you?! I'm running a multinational company here, and you can't make an omelet without breaking the bloody eggs!

S6. But hang on a minute...

2. There are no buts! That young, naive, little turkey believed us, that's the end of it! She is just a very stupid girl, what can I say?

S6. But you promised her.

2. And yes, she was naïve enough to believe us. Her stupidity is not our fault. *(Starts laughing madly)*

4. If I was you, I would go back to your seat. I never know what she will do when she is in one of her moods.

S6. Okay, I just wanted to help, bye now!
