

## Soirée contes autour des 5 continents

publié le 26/01/2017

The main poster features the title 'Soirée contes' in large, bold letters at the top. Below it is a detailed illustration of a kangaroo-like creature with a large, spiky back, holding a traditional umbrella and playing a drum. To the right, the text 'Avec le conteur ETHYENE' is displayed above a small black and white photograph of the storyteller. At the bottom of the illustration, the words '5 CONTINENTS' are written in a stylized, hand-drawn font. Below the illustration is a grey rectangular box containing the event details: 'VENDREDI: 3 FEVRIER 18H30', 'AU COLLEGE DE ST SAVIN', 'RESTAURATION ET BUVETTE', and 'ENTREES : 20 ENFANTS 30 ADULTES'. At the very bottom of the poster, the letters 'F S E F S E F S E' are arranged in a row, each inside a small black triangle.

**Vendredi 3 février à partir de 18 h 30** aura lieu au collège la soirée contes animée par **Ethyène**.
