

My collage.

I'm crazy about dancing because it's not boring. I dance with my sister once a week. I can dance very well. I love it. I like cooking because I'm very greedy. I can cook quite well. I've been on swimming but I never swim in winter but, I often swim in summer. I sometimes draw. I like it but I'm not a good drawer. I'm not interested in tennis but I think it's boring and I am not very good at tennis. I can't stand rugby, it's so difficult. I don't really like gardening at all, it's not interesting but I like flowers because they are beautiful. I don't mind reading so I sometimes read.
