

# Hello, it's Lucile

publié le 21/12/2008

Hi, my name is Lucile. I am French because I was born in France, but I am also European because France is part of Europe.

I live in a typical French family. I have got a father, a mother and a sister and we all live together in our house. My family has got a car, a computer, a colour television with a dvd player, a washing machine, a dishwasher.

## Start of the day

At 7 O'clock, we wake up and we get up. My sister and I never watch TV in our pyjamas. We have breakfast at 7.15. I like cereal and milk. Dad likes drinking a cup of coffee.

After breakfast, my sister and I get dressed. I usually wear blue trousers and a sweat-shirt. At 8.50 we all leave the house. Mum and I go to school.

## At school

At 12.20 I have lunch at school with my friends. I have a couple of friends. My favourite subjects at school are history and English. At school I always do my best and I never get into trouble. We leave school at 5.00. In the afternoons, I always do my homework before playing.

## Family life

Dad usually gets home at about 6 O'clock. We have dinner at about 7.30. My favourite meal is meat with chips. Then I have to help my mum to clear the table. My family likes watching "Plus Belle La Vie". I go to bed at 8.45.

On Tuesdays I go to gymnastics and my sister goes to gymnastic on Wednesdays.

Every year, we go to the Christmas market.

I love my family very much.
