Hi, my name is Antonin. I am French because I was born in France.

I live with my family.

My family has got a car, a computer, a colour television with DVD.

The day starts at about 7 o'clock.

At 7.00, we wake up and get up.

We have breakfast at 7 o'clock. I like eating cereal. I also drink a glass of orange juice. My mum usually has a piece of toast and a glass of orange juice.

At 7.40, we all leave the house.

My mum and I go to school.

At school

My favorite subjects at school are chemistry and history. I also enjoy PE.

We leave school at 5.00

In the afternoons, I sometimes do my homework before playing.
