Hey !! I loved every first of school trip to england !! Let me tell you about the coolest and the most exciting thing that happened to me in the host family house ... I'm sure you're going to laugh.

I was with Anaëlle and Charlotte, I was unpacking my suitcase in the host family. When, two very good looking Italian students came to offer us chewing gum. Then we started chating in English... It lasted till midnight, then as we always wanted to speak, we asked them if they wanted to sleep in our bedroom : They accepted. I've never felt so happy !!

And will you believe it we shared our room with two Italian top models !!
