

Goose bumps

publié le 08/03/2021

Good evening to you all,

At first, I felt very happy during my stay with Aymeric's family. Indeed, I played for hours and hours. I played tag, soccer, hide-and-seek, and I got on really very well with Aymeric's very kind dog. But then things got worse and worse...

I was very hungry, and I had been told meals were great at Aymeric's place, so I was looking forward to dinner time. Most unfortunately, they suddenly grabbed me, put me into a dish and into the oven !! But I managed to escape, and I ran for my life ! I'm telling you, this family is crazy !
