

My stay at Lou-Anne's

publié le 08/03/2021

Hello everybody !

I spent some time in Lou-Anne's home. I did some gardening, which I thought was a nice experience although I broke some branches !

As I needed to lose a few pounds, I had celery for dinner, which I had cooked a few hours earlier. It was a delicious meal !

Then, as I was about to go into my bed, Okko the beautiful cat attacked me ! He made me turn in all directions, bit me and threw me across the room. I kept running but he would always catch up with me ! I think he had a great time ! I was a little hurt but I had a good laugh too, and I lost more pounds !
