

## Margaret's everlasting holiday

publié le 06/04/2021

Hey !

You will never guess where I was last weekend ! Well... I spent some time with Alexis ! And I had fun ! After his dog had attempted to eat me without success, we watched movies on Netflix until very late at night. After a good lie in until 11.00 am the next morning, I got up and suddenly found myself face to face with the cat ! It scared the life out of me ! But in the end it gave me a big hug ! So I made it one too, and we played together. I also learnt new board games with Alexis, which I enjoyed, as well as table football ! But that wasn't easy for me !

I loved spending that weekend with Alexis, who is such a very nice guy ! Thank you Alexis !
