

Margaret's cool life

publié le 09/05/2021

Today Margaret spent the day at my house. She got to know Minnie, my little hamster. The two of them got on very well. Then we played hide-and-seek. It took me ages before I could find Margaret ! She was very, very well hidden under a jacket !

Afterwards Margaret helped me do my German homework. And we finally went to bed. It was a beautiful day for her. Marine
