

Tim's Christmas holidays

publié le 24/01/2020

Hello everyone ! First of all, I wish you a happy new year !

I spent the Christmas holidays with Chloé and her family... and her pets too. Oh dear ! Her dog called Insée wanted to eat me, and her cat Gazelle hated me so much that she scratched me. I felt very uncomfortable and I wanted to leave ! Fortunately, Chloé was very nice : we watched series and we had motorbike rides together, which I liked although I was dead scared !

She also took me to her grandparents' for Christmas Eve. We had a very nice meal there. Then we celebrated Christmas at Chloé's place, and then again at her other grandparents'. I think human beings eat too much !

Finally, I celebrated the new year with Chloé and her friends. They were all very kind. Then the holidays ended.
