

## Tim's at Océane's

publié le 28/01/2020

Hello !

Tim was my guest for a week-end. First he tried climbing. He didn't like it much because he had vertigo !

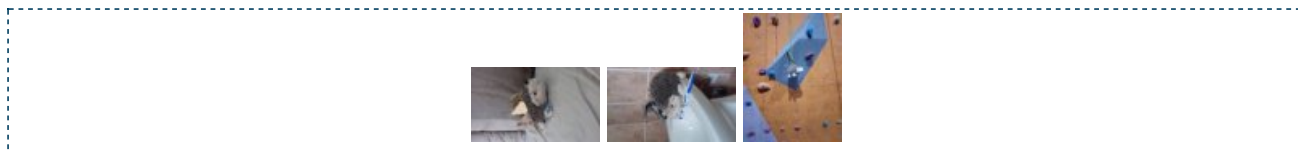

When we got home, he discovered the tradition of King cake and enjoyed it very much as he had the charm and so won the crown ! Then he brushed his teeth and went to bed.

The next morning, he had breakfast and took a shower. Then we rode my bike in the forest. He enjoyed discovering the beautiful countryside. Unfortunately he fell off my bike. He was bleeding so he wept because it hurt. I reassured him and looked after him. Afterwards, he swore he would be more careful !

See you soon for new adventures !

Océane
