

Tim's experience with horses

publié le 04/02/2020

Hello !

Last Monday, I took Tim to the riding school. First, he learnt how to ride a horse. He was really impressed by such a big animal, but once he was on it he wasn't frightened anymore. At the end of the day, at around 5.00 pm, he rode my horse ! He was so good that he jumped an eighty-centimeter high barrier ! After that, Tim looked after my horse, and we went back home. He loved the day and spent a great time but it was so tiring that he slept for a very long time !
