

Tim's week-end at Indiana's

publié le 24/09/2018

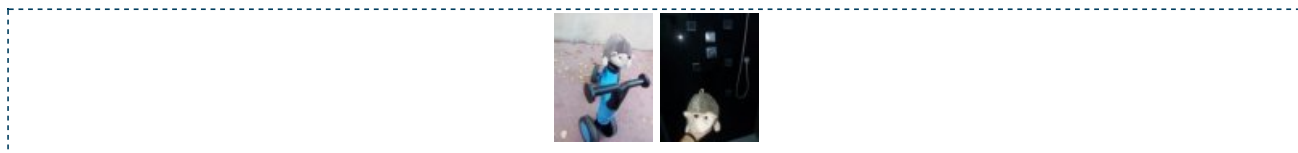

Last week-end, Tim the hedgehog played in the garden for about one hour. He almost became a skateboard champion ! And he learnt how to cycle. He liked it a lot but fell several times.

He also played hide-and-seek with my three-year-old little brother. Then he needed a shower !

My parents and I took him to Angoulême and we did shopping and we ate at McDonald's. Then we watched a horror movie at the cinema. Tim was really scared ! So we went back home and Tim watched a wildlife documentary on TV. He was happy to see other hedgehogs !
