

A few news from Margaret

Gobble gobble ! Here I am again ! Just a few words to tell you I did a work placement at the hospital during the last holidays. It was quite an interesting experience although it was tiring. As I was working in the hospital kitchen, I met Tim the hedgehog and we became good friends, which was great. But I wasn't lucky as I had to sleep in a locker at night ! Good hygiene was the absolute priority, and I was very happy about that because I loved wearing my hygiene cap ! Don't you think I look really cute with it ?!

Then I didn't do many things apart from lazing about with Marina. And I helped Kelly to revise for her mock GCSEs. That was so boring !

See you soon !
