

Tim meets Natasha

publié le 27/04/2019

Hello there !

Tim spent a few days at my place at the beginning of April. First he learnt the geography lesson with me. Poor Tim, I think he is fed up with doing homework almost each time he goes to the pupils' homes ! But he is a nice easy-going hedgehog, and as a reward, I gave him sweets.

He also spent time playing with my cat, who seems to have appreciated his company.

Finally, he enjoyed a good pistachio ice-cream, watching Netflix series.

He told me he'd had a good time at my place and would love to meet other people as cool as we were. Thank you Tim !
