A NEW RECIPE : SCOTTISH SCONES

WHAT'S " SCONES " ?

Scones are small bread , or "cake" when the recipe includes sugar . Of scottish origin , they are particularly popular in united kingdom , irland , australia , canada , united states of america and elsewhere .

They are eaten with clotted cream first , and next we need to add strawberry jam , often with tea.

WHAT WERE THE STEPS ?

First, we went to segpa's kitchen to cook.

Then, our teacher explained the hygiene rules and instructions to us, then we cooked.

Finally, we all sat down at the table with tea and our scones to eat!

WITH WHO ?

We work in the segpa's kitchen with teacher Gauthier , and with the two english women Caroline and Kath . We cooked with Laurine F and B , chloé , lila , romane , elisa , manon , anaë , tess
