

Our trip to Maillezais (5A and 5B)

publié le 12/05/2022

We took the bus to Maillezais on April 15th.

We went on a small boat trip on Marais Poitevin.

Thanks to the guide, we learnt many things about the flora and fauna.

We also visited the abbey, it was so impressive !

We played games about how monks lived there.

We had a picnic in the park. We had fun !
