

THE LIFE OF THE QUEEN OF ENGLAND

She was born in Bruton on 21 April 1926 and she passed away in Balmoral on 8 September 2022. She had reigned 70 years. She was George VI's daughter. She had 4 children, Anne, Andrew, Edward, and Charles now Charles III. He has inherited the throne.

On September 8th, Queen Elisabeth II passed away.

She had reigned for 70 years and had become Queen at the age of 25-26. The British now have a new king. King Charles III (the third) will be crowned on 6th May .

She had celebrated her platinum jubilee in 2022. It's one of the longest reign ever, like French king Louis XIV who has reigned for 72 years and who became king at the age of 5. The Queen was 96 years old when she died. She had 4 children. When she was visiting Kenya, her father died so she became Queen.

Queen Elizabeth has never been to Andorra, Monaco or Ukraine. She has never been to Argentina because the British were at war with the country in 1982.
