Floods in Petropolis

According to the local authorities in Petropolis, a city in southeastern Brazil, new heavy rains caused the death of five people on Monday, a month after the downpours that had killed 233 people. Rio de Janeiro firefighters reported the disappearance of 4 people. The local authorities are concerned about the abundance of the rainfalls of the last hours. Go page 21

Editorial

The news of this Tuesday, March 22nd shows that the climate deregulation caused by humans has many consequences like : the flood in Petropolis, the rain and the mud which complicate the work of the rescuers in China. How many more victims will it take for humans to realize the impact they have on the planet ?

Deadly plane crash

On Monday, radars reported a rather suspicious plane crash in China. The plane is presumed to have fallen vertically. The rescuers are looking for signs of life of the 132 people who were on board. The weather conditions, the rain and the mud make the rescuers' work difficult so they have little hope to find survivors. For now, the cause of the crash of China Eastern Airlines flight MU735 remains unknown. Go page 2

A historic auction

A 200-million-dollar portrait of Andy Warhol's Marilyn Monroe will go up for auction in May, Christie's said on Monday. If it is sold at that price, it will be the first time for a work of art of the 20th century. Go page 23
