A WINTER SURFBOARD ?

It's a delicate and ephemeral object. An icy surfboard, which slides on winter waves at the foot of Norway's mountains. Inge Wegge aged 33, surfer and documentary filmmaker, had this original idea . To get this surfboard, he used a cold room. Finally, he can surf few waves but the surfboard ends up melting. Page 18-19

GRANDE AMERICA : OIL SLICKS

On the Bay of Biscay, the shipwreck of the boat "Grande America" keeps on going. The oil slicks are moving and the specialists are worried ! They should not reach the French coasts.

On the other hand the " anti-pollution " starts in a rough sea.
