News Express

Peking experiencing a new lockdown

The zero covid goal of China is encountering some difficulties with a new epidemic outbreak and a new lockdown for Peking.

Zelenski ready to negotiate with Putin

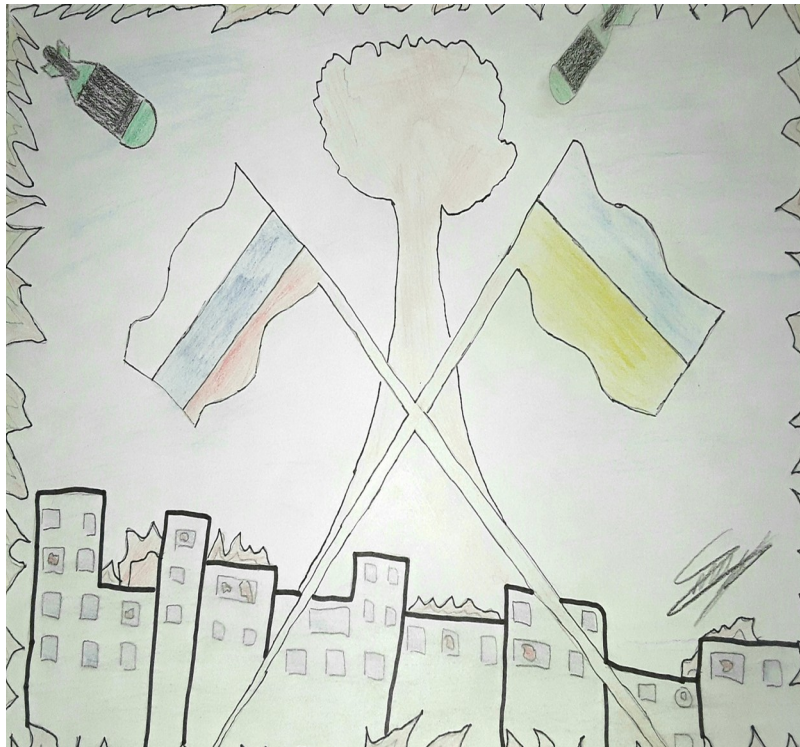

On March 22nd 2022, the Ukrainian president, Volodymyr Zelenski is suggesting to the Russian president, Vladimir Putin a negotiation as long as Russia stops bombardments in Ukraine. The Ukrainian president said that he was ready to talk about the situation of Crimea and Dombass.

Vote intentions for the first round of presidential elections

This week, Emmanuel Macron decreased of 6 points in polls in the vote intentions for the first round of presidential elections. He is, at the moment, at 27,5 % whereas Marine Le Pen continues her increase : she went from 15 % to 20 %. Jean-Luc Melanchon, is going up to 2 points, but he is now third like last week, he got 15 % of vote intentions.

A plane crash in China .

The flight MU5735 of China Eastern Airlines crashed in a mountainous zone in the south of China. The first-aid workers are searching the 132 passengers despite little hope of finding the passengers because of the bad weather. Reasons of this terrible accident are, for the moment, unknown.

Decrease of the price of gasoline

Since the beginning of the year, the price of gasoline increases. But for the first time since the beginning of January, the price of fuel decreases and goes below 2€ the liter in France.

EDITORIAL

The discussion between Zelenski and Poutine is a good news because it could stop the war between Ukraine and Russia. I hope that the Russian president will accept this offer of the Ukrainian president, so that he can also take a step forward to Ukraine. However, I am not really hopeful that it will turn out well because I don't think Poutine will agree. Ionie Tessier
